

2024 ANNUAL NEWSLETTER

December 2024

INCOMING PRESIDENT'S MESSAGE

By Toby Randolph

Before looking ahead, I would like to acknowledge the successful year we're wrapping up, and that starts with a big thank you to Sarah Baty and our board of directors. Sarah's leadership and the hard work and dedication of the board made 2024 another successful year for Indiana ITE.

Our accomplishments include one of the most successful scholarship golf outings in recent years in both the number of participants and funds raised. We also participated in the Great Lakes District annual meeting with WTS and our October luncheon featured Liz Walker from ACEC Indiana highlighting our goal of cooperation among other professional organizations to build meaningful relationships and synergies.

Looking ahead to 2025, I encourage ideas from members to increase attendance at section events, continue to support events with other professional organizations, and increase our connection with both student chapters and our own young members. I am already working with young members to build engagement and for them to learn how to maximize an organization like Indiana ITE for networking building and advancing their career paths.

In 2025, we'll continue to build on ideas that include networking events geared toward younger members, engaging younger members as mentors to student chapters, making site visits to construction projects, and helping younger members improve their presentation skills, whether at Road School or other section events. If you want to be more involved with these initiatives, please contact a Board member to get plugged into a committee.

Thank you to our 2024 Sponsors!

OUTGOING PRESIDENT'S MESSAGE

By Sarah Baty

As we look back on this remarkable year, we are filled with pride and gratitude for the many accomplishments we have achieved together. It is with heartfelt appreciation that I acknowledge the unwavering dedication and support of our esteemed board. Your commitment has been instrumental to the organization.

As we approach the holiday season, I am reminded of the values that bind us together – peace, unity, and the spirit of giving. This year we held a golf outing with record breaking participation and awarded several scholarships to deserving individuals. These scholarships are a testament to our collective effort and determination to empower the next generation of transportation professionals.

Our ITE/LTAP Transportation Seminar is an event that I look forward to every year. It's a great opportunity to learn and connect with others. This year's event featured the keynote Indiana Pacers Keynote and joint happy hour with WTS.

This year we added a Social Media and Website Committee, and are expanding the Student Activities Committee to include a Younger Members initiative. Student Chapter meetings were held at Trine University, Purdue University, and Valparaiso University.

It is a time to celebrate our achievements and look forward to the future with hope and optimism. May this holiday season bring you joy, warmth, and cherished moments with loved ones. Let us continue to strive for excellence in the new year. Together, we will continue to achieve great things.

Wishing you all a peaceful and joyous holiday season!
