REMINDER!! 2020 Indiana ITE Scholarship Golf Outing – SIGN UP NOW!!

Our Scholarship Golf Outing is **NEXT WEEK Thursday September 10th**. It will be held at Bear Slide Golf Club in Cicero, IN. The board has taken steps to help keep participants safe, and we strongly encourage following social distancing guidelines. The board has budgeted for enough carts to have one per person should participants desire their own cart **at no extra cost to you!** We hope that you will come out to help us support our student scholarship fund and get some socially distanced networking. Please note the following:

- We will not provide masks for participants. Please bring your own for instances where social distancing may not be feasible.
- All public activities carry increased risk of exposure to COVID-19. By signing up for this fundraising event, you acknowledge and assume all risks and dangers associated with your participation.
- On the date of the event, please protect your friends and peers by not participating if you:
 - Are currently experiencing COVID-related symptoms, including fever, cough, and shortness of breath (among others); or
 - Believe that you have been exposed to a confirmed case and have not yet been cleared as non-contagious; or
 - Will not respect other's desires to remain socially distanced or follow the golf course's rules

2021 Leadership ITE Deadline Approaching!

The deadline to apply for the 2021 Leadership ITE program is coming up fast! **Applications are due September 16th.** If you are looking to develop your skills to be one of the next generation of leaders, consider this program. Leadership ITE is a program to grow and empower leaders within the transportation industry so that they are well prepared for greater roles within their professional capacity as well as within ITE and other associations. Apply online at <https://www.ite.org/professional-and-career-development/leadershipite/>.

October Tech Lunch/Virtual Webinar

The October Tech Lunch had been planned to be held at a new venue, Taxman CityWay. Given the ongoing state of the pandemic, the IN Section Board has elected to conduct a virtual webinar for this year's October luncheon. If you have an idea for a presentation topic, please contact a board member! A date will be announced in the near future.

Joke of the Month:

Client: "How do you estimate how long a project will take?"

Engineer: "I add the time needed for each activity, then multiply by pi."

Client: "Why multiply by pi?"

Engineer: "It explains why my estimates are always irrational."
