2021 Great Lakes District Collegiate Traffic Bowl Competition

The Great Lakes District Collegiate Traffic Bowl Competition was held virtually on April 20th. The Indiana Section had two schools participating in Trine University and Purdue University. Both teams had strong showings but were knocked out in the semifinal rounds. This year's GLD CTB winner was the University of Minnesota – Twin Cities. Congratulations to all students who participated.

Indiana ITE Section Committees – We Need You!

Are you looking to get more involved with your local section of ITE? Great! We would love to have you! The Board is looking for more volunteers to join our committees. In particular, we need additional volunteers to help us fill our new Awards and Student Activities committees. These are great leadership opportunities, allowing you to help the section's leadership set the roles for these new committees.

Purdue Virtual Elevator Pitch

To build on the thrill of the traffic bowl competition, another competition has been added to this month's calendar! A Purdue Virtual Elevator Pitch competition has been scheduled for April 27th at 3:30 p.m. EST. Members who attend will serve as the judges for the competition. Come join in the friendly competition between some of our Purdue University student chapter members! More information and registration may be found [here](#).

2021 LTAP/ITE Summer Seminar Survey

All members should have received a one question survey regarding this year's LTAP/ITE Summer Seminar. Please take the less than one minute (literally!) to complete the survey!

2020 Reflections

While the global pandemic certainly threw a wrench into many plans, there were still bright moments this past year. COVID-19 may have caused some adjustments to be made, but Lauren (Zeeb) Maenhout was able to safely marry the love of her life in September 2020. We wish her and her husband Colton a long life together.

2021 Great Lakes District Annual Meeting – New Date!

The ITE Great Lakes District Annual Meeting has been pushed back to August 30-31. **Save the date** on your calendar! The conference will be **in-person**, and we would like to have a strong showing from our section at this first annual meeting of the new Great Lakes District! More information to follow as it is available.

Day Trip in Indiana

East Race Waterway

Do you have an itch for water splashing in your face as you race over white water? No need to head out of state. Head up to South Bend and enjoy a white water experience through the downtown! The raceway opens in early June on Saturdays and Sundays. Click the link above for more information. While in South Bend, you might also take the time for a stop at the [Studebaker National Museum](#) to learn about some of the history of automobile manufacturing in Indiana.

We want you, the membership, to be an active part of this newsletter! To submit information for consideration in future newsletters, please email Secretary@indianaite.org.
