2021 Great Lakes District Annual Meeting – Register ASAP!

Register **NOW** for the ITE Great Lakes District Annual Meeting on August 30-31. The conference will be the first district **in-person** since the pandemic began, and we would like to have a strong showing from our section at this annual meeting. Click [here](#) or the link to the right and register today! We look forward to seeing you there.

Indiana ITE Section Committee Spotlight – Scholarship Golf Outing Committee

ITE Indiana's Scholarship Golf Outing committee is co-chaired by Ken Slaninka and Zach Wolf this year. This committee assists the Section Board with the planning and execution of our annual Edward J. Cox Scholarship Golf Outing. The planning includes several tasks, including scheduling and course reservation, door prize donation solicitation, beverage cart sponsorships, event format and challenges/games, and food/meal planning, among others. See later in this newsletter for more information on this year's event.

2021 LTAP/ITE Summer Seminar – Sign Up NOW!

The summer seminar committee is hard at work planning for this year's LTAP/ITE Summer Seminar! Due to uncertainty with COVID restrictions when planning began, this year's seminar will be held in the fall. Mark your calendars for **October 28th**! This will be an in-person event (our first planned indoor event since the pandemic began). We look forward to seeing many familiar faces again. Speakers are being finalized and a schedule developed. More information on the program and safety protocols will be provided as details are finalized.

Edward J. Cox Scholarship Golf Outing – Save the Date!

The annual Edward J. Cox Scholarship Golf Outing has been scheduled for **September 30th** at Bear Slide Golf Course in Cicero, IN. We were able to have a great event last year even with COVID restrictions, so we are excited to have a more normal event this year. Sign up [NOW](#) for our 25th outing! Our committee is hard at work to organize another great event. More details are available on the website.

Awards Committee – Inaugural Awards?! Who doesn't like those?!

Who doesn't like getting awards that you can flaunt in front of your coworkers and friends? Okay, maybe you are not that aggressive about it, but you still wouldn't mind being recognized for the hard work you put in. GUESS WHAT?! New for this year, the Indiana Section will present 5 inaugural section awards:

- Distinguished Member
- Student Paper
- Transportation Achievement
- Transportation Professional of the Year
- Rising Star

More details will be posted on the section website soon, but nominations will be open from Sept. 15th to Oct. 30th (self-nominations allowed!) Start thinking about those people and projects that you think are deserving of recognition. Awards will be presented at the annual section meeting in December.

ITE International Highlights

Day Trip in Indiana

[The Dixie Sternwheeler](#)

With us getting to the latter half of summer and school starting up, now is the time to get a last excursion out on some water to catch some sun. What better way to do that than on Indiana's oldest sternwheel paddle boat?! The Dixie can be found on Webster Lake near North Webster (northeast of Warsaw). The Dixie's history began as a mail and grocery deliverer, evolving over the years to take on other tasks, including ferrying passengers.

While you are in the area, you might consider visiting or staying at [Yogi Bear's Jellystone Park](#) in Pierceton (just over 10 minutes away!). There is a long list of amenities available at the park. Enjoy the outdoors before the weather turns!

We want you, the membership, to be an active part of this newsletter! To submit information for consideration in future newsletters, please email Secretary@indianaite.org.

BEFORE ENGINEERING

HOW I THINK ITS GOING TO BE

HOW IT REALLY IS

Even if I end up being a civil engineer I won't build tunnels.
Because it's boring.
