INCOMING PRESIDENT'S MESSAGE

By Hillary Lowther

Indiana ITE members and friends,

The joy and bustle of this holiday season has arrived! It's a wonderful time of celebrations, traditions and cheer. I'm excited to look to the new year, but it's always a bittersweet goodbye to the time gone. The new year always holds so much hope for an exciting year ahead! I'm thrilled to have the opportunity to serve as President for 2023! This is both an honor as well as a challenge to continue to guide our organization toward new accomplishments and goals!

This year, we are excited to bring a new Director, Lauren Maenhout, to the board and we thank our friend, Lauren Arthur, for all the work she has done for our section. Thankfully Rusty will be able to continue to be on the board; he served as President with excellence.

In the year ahead, through many technical lunches and social gatherings, I would love for some of us with 'years of experience' to share our knowledge base and mentor younger engineers. In this ever changing, new culture that brings virtual options and new opportunities, it's critical to pass along lessons learned and information gathered to those growing in our field. We are so much better and stronger together, and I'm sure that our time in these moments of networking and exchange that we can support one another and encourage others to achieve new heights. We can do some amazing things when we grow together!

I'm so thankful to those who have gone before me and shared what they learned. I'm confident that our organization is stronger thanks to the diverse personalities and mindsets that have helped to shape where we are- and I'm excited about what is to come with the amazing talent that I see ahead. May we learn from each other and encourage others with each new success.

Here's to a fantastic 2023!

Merry Christmas and Happy Holidays!

Hillary

OUTGOING PRESIDENT'S MESSAGE

By Rusty Holt

We've had an amazing year in 2022 getting back together and I had a great time serving as your Indiana ITE Section president this year. I enjoyed the time spent connecting with local members, students, presenters, and attendees at our events and guiding the Section forward through the year.

Looking back, my highlights from this year were, in no particular order: the annual golf outing where we raised thousands of dollars towards our scholarship fund; the LTAP/ITE Summer Seminar where we hosted INDOT Commissioner Mike Smith and Bloomington Mayor John Hamilton; and attending the International annual meeting to document the Student Chapter award for Purdue and the Wilbur Smith Distinguished Transportation Professor award for Darcy Bullock. We have a great group of professionals and students in the state and continue to be well respected by those outside of the Section.

To close out the year I would like to share my thanks to the Indiana ITE Board this year for their efforts to keep the section moving forward. I would also like to thank the many volunteers in the Section that allow us to put on such great events – without your help we wouldn't function, and I'm thankful for your efforts and willingness to serve our organization. Finally, I'd like to wish all of you a Merry Christmas and Happy Holidays, and hope that you are able to take some well-deserved time off from work to enjoy family and friends.

AS ONE LAUREN LEAVES, ANOTHER JOINS!

Your 2023 Indiana Section Executive Board is:

Hillary Lowther
President

Lauren Maenhout
Director

Sarah Baty
Vice President

Tom Ford
District Liaison

Toby Randolph
Treasurer

Rusty Holt
Past President

Joe Bruno
Secretary
