Indiana ITE Section Sponsorship

Does your firm/company do business within the transportation profession in Indiana? Looking for a professional organization that works to keep transportation professionals current as methodologies continue to evolve, provides networking opportunities, and seeks to help support the next generation of transportation professionals? Consider purchasing a tax-deductible sponsorship of the Indiana ITE Section. 100% of your donation stays local to fund professional development events and scholarships for in-state students pursuing degrees in the transportation profession. Make your donation online at the Indiana ITE website or contact Laura Slusher by email to sign-up! Thank you all of our current 2020 sponsors (see page 3)!

NEW Indiana ITE Section Committee & Positions – WE NEED YOU!!

With the changes being made in preparation for the new Great Lakes District, there are new opportunities to get involved with Indiana ITE! The following position is being created:

District- Section Board Liaison:
- Communicate and coordinate between the District and Section Boards
- 2-year commitment
- Voting Board member on the Section Board, monthly Section meeting commitment (in-person or call-in)
- 4-6 District meetings per year (1-2 in person); expenses covered
- Starts 1/1/2021

Additionally, we want to recognize you, so a new Awards Committee is being created! If you are interested in serving on the committee or filling one of the new positions, contact Laura Slusher at Islusher@purdue.edu.

Ride the Bus to Road School from your Hotel

New this year, there will be free bus service running between the hotels and the Union for Road School attendees. Avoid the hassle of limited parking and relax on your way in or network with other attendees as you enjoy door-to-door service. There will be multiple buses running for both the nearby downtown hotels and the hotels out by I-65. For anyone joining us at the ITE banquet Wednesday evening, one bus will pick up after the banquet and run to all necessary hotels. See the attached brochure for more information. Email any questions before Road School to lslusher@purdue.edu or see LTAP staff at Road School. (Note: the travel times shown on the brochure are roundtrip estimations)

Indiana ITE Section Vision 2020 & Beyond – RESULTS ARE IN!!

The results of the Indiana ITE section membership are in! Your Indiana Board of Directors is reviewing the results and will use them to chart a course forward. If you have additional input, please contact any section board members. The survey results are attached.

February Tech Lunch Recap

David Borden of Indianapolis DPW gave a great presentation on the DPW program and near term goals for the department! A big thank you to David for his time!
